

Winter Bar & Terrace Menu

Welcome to The River & Rail

A few things before you order:

Please note that we do not offer 2 courses outside the restaurant, if you do want more of a dining experience we will be more than happy to find you a table and offer table service.

We unfortunately do not offer food in the beer garden but have ample seating under the terrace and on the al fresco frontage.

If you do have any allergens please inform staff upon ordering, a large amount of dishes can be adapted as large amount of food is prepared on site.

We always want to maintain our standard and our kitchen and team does not suddenly grow when we get busy so inevitably an additional wait may be applicable during busy periods.
